Discounts: FAA offers several different denominational and multi-student discounts.

Tuition Assistance is available for qualifying K-8th grade students on a financial needs basis. All applicants must apply through FACTS. Your application is not considered complete until it has been finalized and verified by FACTS. Please be aware that there is a fee from FACTS associated with filling out this application. Please contact the school to insure that applications are still being accepted.

Scholarships A recruiting scholarship of \$200 is offered to any family who successfully recruits another family. The recommending family must have been part of the FAA family during the previous school year in order to be granted this scholarship, and the new student must mention the fact that they were recruited by the family during their initial application and attend FAA for at least one Semester. The recruiting scholarship will be applied to the recommending family's account the following semester.

Club Fees Every year FAA is proud to offer different after school activities for its students. These different clubs have fees associated with signing up for them at the beginning of the school year. The fee is then charged to your FACTS account after the sign up window closes.
